FOR IMMEDIATE RELEASE

**Family Physician joins staff at Smithville Regional Hospital**

Smithville Regional Hospital is pleased to announce that Dr. Larry Edmondson, Family Practice, has joined the SRH Medical Staff. Board Certified in Family Practice Dr. Edmondson has joined Dr. Guillermo Sanchez and Dr. Ravi Parchuri's office and is currently taking appointments at (512) 237-2411. Their office is located at Smithville Medical Clinic, 605 NE 9<sup>th</sup> Street, Smithville, Texas.

Dr. Edmondson received his undergraduate degree from Purdue University in Indiana, 1980. He earned his medical degree from Saint George's University in the West Indies, 1999, and completed his family practice residency at The University of Texas Medical Branch in Galveston, Texas, 2002.

Services provided by Dr. Edmondson include family centered health care services including diagnosis and treatment of adult and pediatric illnesses, physicals for school, work and sports, immunizations, preventive medicine, well childcare for children, and more.

Dr. Edmondson also has his commercial pilot's license and enjoys camping.
