FOR IMMEDIATE RELEASE

Bastrop Medical Center Welcomes New Chiropractor

Bastrop Medical Center is pleased to announce Dr. Marc Fitzpatrick, Chiropractor, has expanded his professional services to Bastrop County. Board Certified McKenzie practitioner in Mechanical Diagnosis and Therapy, Dr. Fitzpatrick has joined Dr. Lance Carroll's office and is located at 441 Hwy 71 West, Ste. B, Bastrop, Texas. He is currently taking appointments at (877)968-3340.

Dr. Fitzpatrick earned his Doctor of Chiropractic degree from Parker Chiropractic College in Dallas and completed his postgraduate work in Chiropractic Rehabilitation from Los Angeles Chiropractic College.

The chiropractic and rehabilitation service he provides encourages active and educational self-management skills to assist patients experiencing mechanical spinal pain. "This will be an exciting opportunity to provide specialization of spinal evaluation, treatment and management to Bastrop County," said Dr. Fitzpatrick.

Upon arrival of your initial visit, you will receive a case history, X-rays, exam, diagnosis and treatment. Visits thereafter will include treatment and management using the most recent active protocols. Frequency is dependent upon your healthcare needs.

Dr. Fitzpatrick has been in practice at La Grange Chiropractic Clinic for the past 14 years and looks forward to expanding into Bastrop County. "This new location will assist with my established Smithville and Bastrop patients not to mention I will be accepting new patients with spine and extremity problems," said Dr. Fitzpatrick.

Dr. Fitzpatrick will begin seeing patients August 5, 2003 on Tuesday and Thursday afternoons from 1 pm to 5 pm.
